Message

Governor Cooper, I understand you wanted the pipeline to fund you, instead of the State. Yet we have a \$3 million dollar bridge to nowhere in Buncombe County, potholes, lack of police and streetlights and you cost us how many jobs and revenue with your self serving move. You didn't know how you would allocate the money from the pipeline? That was your biggest concern?

I will vote against you AGAIN in the next election and beg my constituents to do likewise
